Ninety events were worked out at the Asian International Schools' swimming meet in preparation for the International Schools Championships in Febru-

ary 2010. National and International Swimmers swam at the meet at Ananda College last week. Of course when competing with friends it is difficult to break records, yet two International Schools Champi-

onships records were broken by Pentathlon champion Ali Ispahani and under 10 swimmer Onara Hettiarachchi (both Topaz house swimmers). Garnet House which were champions for ten years in a row were beaten by

Sapphire House this year and Amethyst and Topaz House came in third and fourth. Asian International School have been champions at the International Schools Championship eleven years in a row.

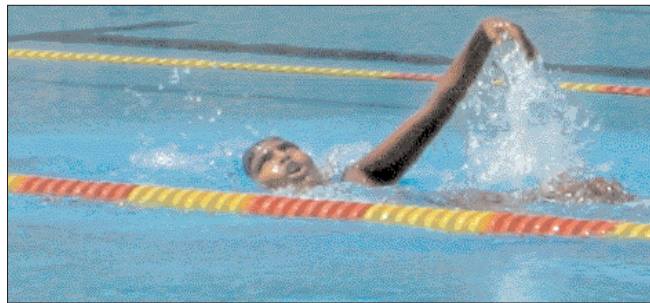

At the start of the first event - 4 x 100 mixed medley relay - Wayne Brown, Namindu Dharmadasa, Malindra Jayaratne and Saheyli Weerasinghe
